

LOVE YOUR NEIGHBOR EXERCISE >>>>

Family 1	Family 2	Family 3
Family 5	Your Family / Home	Family 4

Last name = **1 point each**

First name of each adult in household = **1 point each**

First names of children = **1 point each**

Occupation of each adult = **2 points each**

How long have they lived in current home = **2 points**

State in which each adult grew up = **3 points each**

A favorite activity for each adult and child = **3 points each**

Religious beliefs of each adult = **4 points each**

Something you admire about each adult or child = **4 points each**

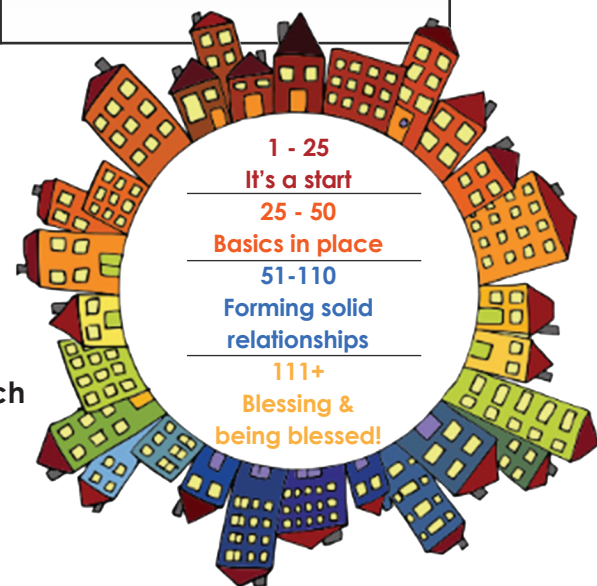

BONUS:

Add **5 points** for each home you have entered

Add **25 points** for each family you have had over for a meal

PENALTY:

Subtract **5 points** for each neighbor you would not recognize on sight (away from home)

What did you learn about your neighborliness?

Why is this so important?
