

## Membership to Discipleship

Get clarity on what a disciple is, how disciples grow, what kinds of relational support work at different points in the journey and create a core curriculum that helps people reach the vision cast for maturing disciples. Best of all, discover in fresh new ways the power of John Wesley's process for growing maturing disciples.

Begin a conversation in your Conference through engagement with the **Membership to Discipleship** materials from Excellence in Ministry Coaching

### Deliverables

- Facilitated presentation of the **Membership to Discipleship** workshop in each District of the Annual Conference
- Participant resourcing with graphically designed, full color workbook that includes many of the graphics from the power point and templates to support continuing discussion by discipleship teams in the local church.
- Facilitated presentation of the **Discipleship Coaching** training to prepare trainers from each district to train local congregations (optional, but recommended)
- Prepares facilitators (selected by Districts/Conference) to present the **Membership to Discipleship** workshop for local congregations
- Availability of the **Membership to Discipleship** books for purchase as event pricing
- Availability of the **Membership to Discipleship** training kit at event pricing

### Benefits

- Strengthens the discipleship focus of the Annual Conference by starting a conversation about an intentional process and providing the language for the conversation
- Encourages local congregations to identify a clear vision for discipleship and a pathway for living into that vision

- Using contemporary tools and contexts, congregations are encouraged to build a process that is grounded in Wesleyan principles
- Moves discipleship from a program to a process supported by appropriate relational structures and educational opportunities
- Supports the local church by providing step-by-step process for building an intentional process of making disciples
- Provides recommendations for educational support drawn from the best of classical and contemporary resources for growing disciples

## Fee Structure

- \$1200/day Presenter fee for District Workshops
- \$10/participant fee for professionally designed/printed **Membership to Discipleship** workbooks
- \$1200 presentation fee for Discipleship Coaching Training (materials included)
